III. brainstorm ideas for F.H.M.R. to **consider for potential projects** in 2012 and 2013 such as:

- organized hike(s) with landowners' permission
- local military road route research, to address the need for best map possible
- printing a 2nd edition of the (1968) Joseph Wheeler book about the road
- bus tour along the road
- marking the route with signs, where the military road crosses public highways
- programs (What exactly?)
- Write a web page about the road to be a permanent feature of the CPRA website
- Nominate the Hubbardton Military Road to the State Register of Historic Places
- Research, locally, the names of property owners along the entire route
- Apply for grants to help pay for roadside signs; fund-raise
- Create a PowerPoint or YouTube presentation about this military road
- Draft a Wikipedia internet entry for the Hubbardton Military Road
- your ideas here

IV. Discuss prioritization of potential projects

- A) **Who** is willing to work on project?
B) What resources are **needed**?
C) **When** will we have what we need to begin?
D) How many people are actively interested?
E) How much benefit would come from the project?

V. Adjourn before the library closes at 12 Noon
